August 2019 - Issue 44 - New Harmony Town - www.newharmonyutah.org

Town Business

- ❖ In-site Towers is proposing another option for the cell tower. Another opportunity for public input will be sent out this month to get the Town resident's opinion on building the cell tower in the Northwest corner of the undeveloped portion of the cemetery.

The next Town Meeting will be
Wednesday, Sept. 4th, 2019

Time: 7:30 pm

Location: Town Fire Station

The agenda will be displayed in the post office
on the Monday before the meeting.

The Southwest Utah Public Health Department will be having their annual Flu Shoot Outs. These exercises are for training of their employees to prepare for a possible pandemic. They are charged with vaccinating or medicating everyone in the five counties if there were to be an outbreak. They need to practice and know that they are up to the task. Please come and support them in their endeavors.

They will have a 'Flu Shoot Out' in Washington Co at the Red Cliffs Mall on 9/17. There will be an outside Drive up for adults from 8a-1p; and inside for everyone from 1-6p. You can also visit swuhealth.org/flu for more information.
