

# NEW HARMONY

## February 2022

This is the month for celebrating presidents, and love. Hopefully, we can all celebrate that we are epidemic.

## EVENT PLANNER

The town is looking for someone to be the event planner for town sponsored activities. It would require the person to plan at least the 4<sup>th</sup> of July and then possibly the Easter Egg Hunt, and/or a Christmas event. The town would supply the budget. Planner would be responsible for forming a committee and organizing and putting on the events. Does not have to be a resident. Call 435-590-0268 if you are interested.

## DUMPSTER SCHEDULE

The following is the schedule for 2022 dumpsters:

April 1-4      June 17-20  
July 29-Aug 1    Oct. 21-24

We are also going to have a TRAIL DAY in April where we will invite residents to spend the day (Saturday) helping us to clean and upgrade our trail system in the Comance Nature Park. Everyone will be invited and the town will furnish lunch. Please plan to come out and help.

## TOWN COUNCIL

Meeting of the town council will be February 2, 2022 at 7:30 p.m. Council will be discussing water fees, and other town matters. Public welcome to attend.

STAY WARM, BE SAFE!!!
