

NEW HARMONY

January 2022

RING IN THE NEW YEAR!!

Another year has come and gone. Another year of Covid restrictions (YUCK). We hope all of you are doing okay and are staying healthy.

THEFTS

We are still dealing with some thefts taking place in people's homes and garages. If you notice any unusual behavior going on, please notify 911 and let them decide if it is something worth worrying about. You could be saving your neighbor a lot of problems. Try to get the vehicle license plate number which will help a great deal, or description of the vehicle or persons in question. Do not

try to take matters into your own hands.

RAIN AND SNOW

This has been an unusual winter with more rain than snow. Please know that there are filled sandbags located by the fire station in the event you need some. From the sounds of the weather predictors, we still have a long winter ahead.

NEW RESIDENTS

There have been several homes sold over the past few months and we are welcoming any new neighbors that may have come to live among us. Please get to know your neighbors. They are a great source of information about the town and events.

Town Council meeting is Wednesday January 5, 7:30 p.m. Garbage pick up fee increase will be discussed.
